

## **Job Description and Expected Profile**

Fellow will have the opportunity to work primarily on one of two projects:

**Global Program Evaluation:** A network wide systemization of program evaluation, focusing on the institution's impact on members and their impact on the communities they serve.

- Assist in drafting new evaluation tools for specific projects and overall organizational work focused on impacts;
- Interview members about the utility of the draft tools,
- Help develop a webinar and other learning materials about the evaluation tools and encourage participation by members

**Migration Museums:** Unites migration museums from around the globe.

- To collect and organize educational materials from museums and other organizations about migration
- To develop social media efforts, and assist in planning a 2020 global gathering

## **Language Skills**

- Fluent knowledge of English
- Fluent knowledge of Spanish, French, or Arabic is a plus

## **Proposed Time for the NGO Mobility Program**

- April-June 2020 (3 months)

**The program will be implemented in New York, USA.**
