

HRANT DINK FOUNDATION

2026-2027 TÜRKİYE-ARMENIA TRAVEL GRANT REGULATION

Türkiye-Armenia Travel Grant, implemented by the Hrant Dink Foundation, will continue to support at least 50 individuals and non-profit civic initiatives from Armenia and Türkiye, thanks to the financial support of the European Union within the framework of the programme “Support to the Armenia-Türkiye Normalization: Enhancing Cross Border Linkages” between August 2026 and July 2027, to travel to the neighbouring country for their activities and studies in various thematic fields, by covering their international travel and inter-city transportation costs.

Background

1. Hrant Dink Foundation established the Türkiye-Armenia Travel Grant in February 2014 with a view to increase direct contacts and to promote cooperation between the peoples of the two neighbouring countries within the framework of the programme “Support to the Armenia-Türkiye Normalisation Process” financed by the European Union. The Türkiye-Armenia Travel Grant issued 5 open calls from March 2014 to May 2015, received more than 850 applications and supported the travel of 210 individuals.

2. The Türkiye-Armenia Travel Grant continued to receive applications by announcing a 6th open call, jointly administered by the Hrant Dink Foundation and the Gyumri “Youth Initiative Centre” NGO (YIC) based in Gyumri, Armenia, with the joint financial assistance of the British Embassy Ankara and British Embassy Yerevan. In this round, the Türkiye-Armenia Travel Grant received more than 160 applications and supported the travels of 26 individuals from July 2015 to September 2015.

3. In 2016-2017, the Hrant Dink Foundation administered the Türkiye-Armenia Travel Grant with the financial assistance of the European Union within the framework of the programme “*Support to the Armenia-Türkiye Normalisation Process Stage II*”, in collaboration with the Eurasia Partnership Foundation (EPF) and Gyumri “Youth Initiative Centre” NGO (YIC) in Armenia. From July 2016 to September 2017, the Travel Grant issued 6 open calls (7th-12th rounds), received approximately 600 applications and supported the travels of 186 individuals.

4. The Türkiye-Armenia Travel Grant, in 2017-2019, was implemented by the Hrant Dink Foundation in partnership with Gyumri “Youth Initiative Centre” NGO (YIC) with the support of the UK Government's Conflict, Stability and Security Fund. In response to five call periods of application (13th to 17th Rounds) between October 2017 and November 2018, the Travel Grant received 450 applications and the travels of 129 individuals to the neighbouring country were supported.

5. In 2020-2021, the Hrant Dink Foundation made preparations to make an open call for the Türkiye-Armenia Travel Grant with the financial assistance of the European Union within the framework of the programme “*Support to the Armenia-Türkiye Normalisation Process Stage III*.” Due to the COVID-19 pandemic and the 44 Day Nagorno-Karabakh war which started at the end of 2020, the call could not be launched and the Travel Grant had to be suspended until 2023.

6. In 2023-2024, the Türkiye-Armenia Travel Grant, implemented by the Hrant Dink Foundation under the EU-funded “*Support to the Armenia-Türkiye Normalization Process - Rapid Response*” programme, launched a total of 9 application rounds and received 242 applications from both countries. The programme supported 69 individuals, 26 from Armenia and 43 from Türkiye, in traveling to the neighboring country with a defined purpose and programme. In doing so, the Hrant Dink Foundation exceeded its initial Travel Grant target by 11 participants.
